GEORGIOS SAVVIDIS

- Date of birth: 05-03-1989
- Nationality: Greek

- Address: Röntgenvägen 1, 141 52 Stockholm, Sweden
- Cellphone: +46 (0) 720 37 6989
- E-mail: gsavvid@hotmail.com

TECHNICAL QUALIFICATIONS

Ambitious, results-driven software engineer with +6 years of development experience ranging from mobile and web, to network applications. Highly adaptable in quickly changing environments and capable of delivering quality work, even on high pressure situations. Certified network engineer with professional experience on the area.

TECHNICAL PROFICIENCES

Languages	Java, C++, C, JavaScript, Visual Basic, SQL, HTML, CSS, XML, Assembly x86, Prolog
Networking	Cisco routers and switches, Juniper routers, IEEE Standards, TCP/IP, HTTP Server, DNS Server, VoIP, VPN, Iptables
Concepts	.NET Framework, JSF, EJB, Java RMI, Java applets, JDBC, Scrum
Tools	Eclipse, NetBeans, Aptana, Titanium Studio, MS Visual Studio, OPNET, ns-3, Git
Platforms	Linux, Windows, MacOs, Android, Bada, iOS

EDUCATION & CERTIFICATIONS

2012-present	**Communication Systems** (M.Sc.) KTH Royal Institute of Technology, Sweden
2012	**Informatics Engineering** (B.Sc.) Alexander Technological Educational Institute of Thessaloniki, Greece
2011	**CCNA** (Cisco Certified Network Associate)
2010	**Informatics Engineering** (Erasmus) University of Malaga, Spain
2008	**International Computer Technology (ICT) Advanced Certification** to the units of: • Communication and Data Security • Web Hosting Provider • Application Development • HTML, XML, MySQL, ASP.NET, Sun JavaScript • Microsoft Front Page • Databases and SQL

PROFESSIONAL EXPERIENCE

APEGROUP AB   04/2013-PRESENT

ANDROID DEVELOPMENT

SUMMARY: Developer for Android applications. Ensured bug-free, high quality and on-time deliverables.

SKILLS: Java, XML, JSON, SQLite, Android Framework, Scrum, Git.

ARX.NET SA   03/2011-08/2012

ANDROID DEVELOPMENT

SUMMARY: Developer of several successful Android applications and wallpapers. Ensured bug-free, high quality and on-time deliverables.

SKILLS: Java, XML, JSON, SQLite, Android Framework.

BADA DEVELOPMENT

SUMMARY: Developer of the mobile application "Taptu", that was launched pre-installed on several Samsung Bada smartphones. Provided highly optimized and customized code that exceeded 20,000 lines. Developer of the winning mobile application "DrumsHD" at the Samsung's "Bada 2.0 Power App Race" competition.

SKILLS: C++, XML, JSON, SQLite, Bada Framework.

iOS DEVELOPMENT

SUMMARY: Developer of several successful iOS applications, writen in JavaScript with Titanium Studio.

SKILLS: JavaScript, JSON, Titanium Studio.

NETWORK ADMINISTRATION

SUMMARY: Junior network administrator. Responsible for configuring and maintaining routing and switching functionality of the enterprise network, and ensuring connectivity with the ISPs.

SKILLS: LAN/WAN administration, routing protocols, VLAN, STP.

VOLUNTEER   09/2009-01/2010

TEACHER

SUMMARY: Private teacher of Java and Assembly x86, giving extra classes for B.Sc. students at the Alexander Technological Educational Institute of Thessaloniki, volunteerly. Organizing classes of 5-10 students.

SKILLS: Java, Assembly x86, communicational and organizational skills.

e-GLOBAL SA   03/2008-06/2009

SYSTEM ADMINISTRATION

SUMMARY: Administrator at one of the company's internet stations, managing the LAN connectivity of more than 20 computers.

SKILLS: LAN administration, troubleshooting network connectivity problems.

COMPETITIONS

| 2012 | Samsung Power App Race (winning application: DrumsHD) |
| 2011 | IEEE Xtreme 24-hour Programming 5.0 |

MEMBERSHIPS

IEEE	IEEE student member
	Software development team of the IEEE student branch at the Alexander Technological Educational Institute of Thessaloniki
Cisco	Cisco Networking Academy (Alumni)
SixXS	SixXS (Ipv6 Deployment & Tunnel Broker) community

LANGUAGES

Greek	Fluent – Mother language
English	Fluent – Professional experience
Spanish	Fluent – Professional experience
Swedish	Limited – SFI level C

LICENCES

| 2007 | Level B driving license |

OTHER INTERESTS

Sports, guitar playing, cinema, reading, traveling.
